this book is a hand writing of yi jianyi an expert on education on her experiences of how to
teach children in it there are some brand new principles on family education which make
parents have something to apply when teaching their children

since 1990 public political criticism has evolved into a prominent feature of vietnam s political

landscape so argues benedict kerkvliet in his analysis of communist party ruled vietnam speaking out in vietnam assesses the rise and diversity of these public displays of disagreement showing that it has morphed from family whispers to large scale use of electronic media in discussing how such criticism has become widespread over the last three decades kerkvliet focuses on four clusters of critics factory workers demanding better wages and living standards villagers demonstrating and petitioning against corruption and land confiscations citizens opposing china s encroachment into vietnam and criticizing china vietnam relations and dissidents objecting to the party state regime and pressing for democratization he finds that public political criticism ranges from lambasting corrupt authorities to condemning repression of bloggers to protesting about working conditions speaking out in vietnam shows that although we may think that the party state represses public criticism in fact vietnamese authorities often tolerate and respond positively to such public and open protests

this first year vietnamese language textbook introduces college students to all aspects of the vietnamese language and culture in twelve comprehensive chapters each chapter begins with a list of active vocabulary used for the selected topic followed by dialogue and grammar utilized in everyday situations by native speakers a vietnamese proverb reflecting each chapter s topic reveals a different cultural component of vietnam students can practice what they ve learned with exercises at the end of each chapter the book is enhanced with an answer key to the exercises grammar indices and full vocabulary lists

this book analyzes crisis communication in asia focusing on how culture broadly defined plays a central role in the way a crisis develops and is resolved using the case study method this book offers the reader glimpses of the variety of cultures in the continent displaying the complexity of the cross cultural process of conducting crisis communication in this diverse environment each of these cases addresses the onset evolution and resolution of the crisis the contributors are seasoned practitioners who have done crisis communication work in this continent and have used the same framework of five environmental variables that define culture in this book political culture economic systems societal culture media systems and activist environments this edited volume is ideal for scholars and advanced students in public

relations and strategic communication generally and crisis communication specifically

on the implementation of human rights in vietnam

social life and customs of the vietnamese people
